Watson still looking for more to qualify

A total of 26 Bermuda athletes have so far qualified for next month's Carifta Games.

The athletes have reached the standard during the Bermuda Track and Field Association's regular track meets, school sports and Interschool sports events.

There will be three more opportunities for local athletes to qualify for the Games which will be held in Jamaica. The final en-

tries are due March 31 and the Bermuda team will be chosen on March 29.

Donna Watson, president of the BTFPA, said: "We will also be looking at having relay teams in all of the age groups participating in the games, which will increase our numbers."

"There are still several athletes who are just a few seconds from the standard or just a leap

away. This will be one of the biggest teams we will be sending to the Carifta Games in a long time and we are looking to use this as our building block for next year's Carifta Games in Bermuda when we are going to have an even bigger team."

Girls - Under-17s: Shuntae Hendrickson - 1500m, Victoria Clarke - 100m and 200m, Tahira Butterfield - 100m, Zakkiyah Showers - 1500m, Kyrah Scraders - 800m and 1500m, Iyva Stowell - 100m & 200m, Keuna Dill - 100m, Quesshie Douglas - 1500m.
